

Napili Point Resort

When Hawaiians say “*Nou ka hale*”, they’re saying, “*Our home is your home*”. That’s exactly what Napili Point Resort is all about.

Nestled above shimmering Honokeana Bay, Napili Point Resort is a 115 unit low rise condominium where every condo has an incredible ocean view. In the distance, the islands of Moloka’i and Lana’i rise from the warm waters of the blue Pacific, silhouetting spectacular legendary Maui sunsets. Relax at one of our two oceanfront swimming pools set amid our beautifully landscaped tropical grounds or our outdoor barbecues and picnic tables. During the winter months (December thru April) witness the humpback whales cavorting in the distance. This is the view from your own lanai. Here, you will find a quiet, relaxed and scenic Hawaiian atmosphere.

Enjoy some of Maui’s best snorkeling and swimming on in Honokeana Bay. Multi-colored coral and countless tropical fish and sea turtles await you in the Bay – literally just steps outside your door.

At the tip of our “point”, you will find tide pools filled with crabs, tiny hatchling tropical fish and countless other anemones to investigate. It’s a great place to enjoy the natural beauty of the sea while only getting your feet wet!

The sandy crescent beach of Napili Bay is a 3-5 minute walk from our resort, along an ocean front path. Napili Bay beach is another favorite place of our guests to snorkel and swim.

Every condo has an ocean view! Our one and two bedroom condos are completely appointed separate residences, beautifully decorated, with all the comforts of home – and more. Napili Point Resort is not a timeshare property. Each condominium is individually owned and you are a guest in a vacation home.
